We can talk tomorrow. But any press release, as you know, would've been posted to our newsroom. There were desk statements issued, but those were sent out via email. I'll get back to this person.

Hello Mr. Seneca,
I am interested in retrieving any EPA press releases issued regarding Dimock, PA after the date of 3/15/2012. I have located one from you dated March 15, 2012 and am wondering if there are additional releases from EPA that may not have been posted to the Region 3 webpage.
Thank you for your assistance.
